## Use eDelivery on Your Terms

Choose the option that best fits the needs of your agency:

### NONSTOP OPTION

The issued policy is sent to the GA and customer simultaneously. Customers can sign policy documents immediately.

### LAYOVER OPTION

The issued policy is sent to the GA for approval. Action must be taken to sign or reject policy within five days. Once the GA has approved the policy, it is eDelivered to the customer for signature. If no action is taken by the GA within the allotted time, the policy will be sent to the customer for an electronic signature.

### CONCERNED ABOUT "OTHER THAN APPLIED FOR"?

Use the Layover option to review cases that are issued "other than applied for" and the Nonstop option for all other cases.

## GENERAL INFORMATION

You must be a general agency with direct access to sign up for eDelivery.

Proposed insured, policy owner, and payor must be the same.

We have a solution for policies "issued other than applied for"—see Layover option.

The acceptable open delivery requirements are initial premium payment, GHS, delivery receipt, and amendment.
