

Lab Lift

Exam Substitution Program

Today, over **55 percent** of applicants have a lab-free experience approved through our digital application.

Lab Lift gives even more clients an easier, lab-free experience.

A simple online application with built-in accelerated underwriting, plus a new path for exam substitutions means less hassle, fewer labs – and more families protected.

With Lab Lift from Legal & General America, the best of both worlds is available to your eligible clients. For those who do not qualify for accelerated underwriting within the digital application, Lab Lift is another path to a more convenient, lab-free experience.

An electronic health record (EHR), if available, or an attending physician statement (APS) will be used as a substitute for a paramedical exam and fluids – by pulling medical data and lab results from recent physician visits.

Eligibility

- Ages 20–60
- Comprehensive physical within the last 18 months that includes complete blood work
- Applicants can apply for up to \$2 million in coverage (including any existing coverage with Banner Life that is not being replaced)

Current requirements waived

For those eligible for the program, the full paramed requirement will be waived for individuals ages 51–60 with face amounts over \$500,000. The EKG requirement will be waived for individuals ages 51–60 with face amounts between \$1 million and \$2 million.

No additional work or information required.

Eligibility for Lab Lift is determined by date of last physician visit and blood work. If not qualified, a paramed exam will be ordered.

Up to \$2 million in coverage with no exams or blood work!
