

Lab Lift

Exam substitution program

Lab Lift at Banner Life Insurance Company, a Legal & General America company, offers eligible applicants the opportunity to skip traditional medical exams and lab work, making the underwriting process faster and more convenient.

Instead, we use Electronic Health Records (EHRs) or Attending Physician Statements (APSs) to pull medical data and lab results from recent physician visits, providing a seamless alternative to in-person exams.

Eligibility requirements for Lab Lift

Physical within the last 18 months that includes complete blood work.

Ages 20-60, applying for up to \$4 million in coverage.

Expect speed and inclusivity

The Lab Lift program includes process automation to speed up cases and cover more people. These below examples are real-life case studies with eligible applicants where exams and labs were replaced with either an EHR or APS.

No additional work or information required.

Eligibility for Lab Lift is determined by date of last physician visit and blood work. If not qualified, a paramed exam will be ordered.

Frequently asked questions

How do I submit the Lab Lift case?

Simply drop a ticket. Nearly all cases can be completed on a digital application, with a few exceptions at this time. If you need further assistance, reach out to our Sales Team.

What happens if my applicant does not meet the qualifications for Lab Lift?

The application will proceed through traditional underwriting and a paramed will be ordered.

What factors might result in my client not qualifying?

- The applicant is older than age 60.
- The applicant is applying for more than the eligible amount for their age range, including any existing coverage with Banner Life or William Penn that is not being replaced (eligibility includes up to \$4 million for those aged 20-60).
- The applicant has not been to see a medical professional and had a comprehensive blood panel done in the last 18 months.
- The applicant does not have 2 years of established medical history for an underwriter to review.

Are there any rate classes that do not qualify for Lab Lift?

No, all rate classes including table-rated cases can be underwritten using Lab Lift.

Will Lab Lift underwriting work on replacement business?

Yes, replacement business may qualify for Lab Lift if eligible.

My agents currently don't complete a Part 2. What are the options for those agents?

ExamOne will be the Part 2 completion vendor for Lab Lift cases. Agencies should contact our Sales Team if they need assistance with initial setup.

How do I follow the status of my client's qualification status for Lab Lift underwriting?

Same as today. Case status will be available through Partner Dashboard and other agency management vendors. In the Underwriting Case Notes section you will see a hold for a paramed exam.

Give your clients an exam-free experience with great term pricing and coverage options.
